Sunrise Walk for Hospice™

Have you registered
yet?

Why are you walking?

Totara Hospice south auckland provides free of charge care for people and their families in our community who have been diagnosed with a life limiting illness.

Our team of staff and volunteers aim to achieve the best possible quality of life for our patients and their whanau, friends and carers and this can be given through our In Patient Unit, Day Stay, support at home by our Community Palliative Care Nursing team, or Family Support Service.

This year we must raise \$2.9 million dollars to cover operational and costs of delivering our 24 hour a day, 365 day a year support to the South Auckland community. Your participation and sponsorship of our participants in the Sunrise Walk for Hospice really does make a difference to the lives of our patients and their families, to whom our Community Palliative Care Team makes over 10,000 visits to annually.

All funds raised by this event will be used to support Totara Hospice south auckland's annual operating costs, so please encourage as many women to take part, and as many men to support you as possible!

There is no minimum sponsorship required, but every \$100 raised will fund the cost of a community palliative care nursing visit. If you can raise \$500 you will fund the staffing costs for the In-Patient Unit for a day! It is really amazing at what can be achieved, and with a little effort you can pin your name on a phenomenal, life changing contribution to someone's in your own community!

When you register we will send you (via post or email) a joining pack which will contain sponsorship forms to get you started immediately, as well as information on how to add to, and spread the word on how people can sponsor you online.

Good luck, get your walking shoes on, get fundraising and thank you for supporting the work of Totara Hospice south auckland!
